

ROBERT ANGHEL

MULTIMEDIA DESIGNER / TECHNICAL PRODUCTION

Bucharest, Romania | +40 722 905 095 | anghelrobert18@gmail.com | github.com/anghel2k

PROFILE

Multimedia designer with hands-on experience across 3D, VFX, video editing, graphic design and AI-assisted production. Technical production background connecting teams, clients and agencies while supporting estimates, deliverables, previs, retouching and on-set VFX supervision.

EXPERIENCE

FrameBreed Studio

Mar 2024 - Present

3D Generalist -> Technical Manager

B2B / Remote

- Coordinate communication between team, client and agency; prepare estimates, deliverables, versions and media formats.
- Support editing, graphic design, AI workflows, 3D production and on-set VFX supervision according to project needs.
- Earlier technical 3D work included rigging, morphs, render setup, lighting, proxy scenes and previsualization.

VELIUMIN

Mar 2023 - Present

Founder / Creative Director

Founder-led venture

- Built the fashion project from zero across identity, product graphics, drops, tech packs and production development.
- Created and managed Shopify themes, product systems, campaign shoots, retail materials and a physical pop-up activation.

Tranding Social Media

Sep 2023 - Aug 2025

Visual Effects Artist

B2B / Per project

- Delivered product visualizations, short CGI reel ads, editing, post-production and 3D/VFX integrations for end clients.
